

Second Use Donation Request Form

Second Use is proud to provide select projects and organizations with discounted or even donated building materials, especially those initiatives that uphold its values of sustainability, creativity and community. Please note that Second Use receives a large number of requests for donations, and it may not be possible to respond positively to each one. Completion of this form is a request only and does not guarantee a donation.

If you are interested in receiving a donation or discount for your organization, school, theater or nonprofit, please print and complete this form, and return it to Second Use in person (7953 2nd Ave. S). When you visit, please ask to speak with a store owner or manager.
